

Test case: 1

Test Description: Testing if get all see all bots button works

Expected Results: get a list of bots to show on page.

Actual result: Received an error in console

PASS/FAIL : FAIL

Bug Name: Dueling calculations are not correct 100 percent of the time

Severity: HIGH

Priority: HIGH

Assigned to: Mohammed Miah

Reported By: Mohammed Miah

Reported On: 11-20-21

Description: Sometimes wins are supposed to be a draw and other times wins are supposed to be loss. The calculation in the code is not working correctly.

Steps to Reproduce:

- 1) Click draw button
- 2) Pick two bots
- 3) Click duel button
- 4) Repeats steps from 1 to 3 multiple times to see bug

Expected Result: Duel results should be accurate 100 percent of the time

Bug Name: Wins are not updated on score cards

Severity: HIGH

Priority: HIGH

Assigned to: Mohammed Miah

Reported By: Mohammed Miah

Reported On: 11-20-21

Description: Whenever you win a duel the score cards on top are not updated for win but rather loss increases by one instead of win

Steps to Reproduce:

- 1) Click draw button
- 2) Pick two bots
- 3) Click duel button
- 4) Repeats steps from 1 to 3 multiple times until you win
- 5) Once you win check score boards on top to see if wins updated from 0.

Expected Result: Wins to increase by one for every win
